Make your new Bathroom, Walk In Shower or Wet Room your sanctuary

Does a change in circumstances mean that your bath room no longer suits your needs? We specialise in [wetrooms](#), [walk in showers](#) bath room design, refurbishment and conversion and [level access shower installation](#).

Based in Leeds, West Yorkshire and with over 15 years experience in providing family bathrooms and wet room conversions for elderly and [disabled customers](#), we understand your requirements and provide a cost effective service. All plumbing is work fully guaranteed for 5 years, with many of our bathroom components having a lifetime guarantee. Our bathrooms use the highest quality contemporary materials including luxury bath room suites, fittings and accessories with polished chrome and glass shower enclosures with magnetic closing systems. All combine to make your new bathroom, walk in shower, open shower or wetroom your very own personal sanctuary.

Our bathroom design and installation team includes qualified [plumbers, fitters and installers](#) who are experts in sensitively understanding the needs of the elderly and customers with a specific disability. We will ensure you have the perfect bathing solution, combining your contemporary design requirements with functionality uniquely tailored to your individual needs. We know that changes in life style mean sometimes we all have to compromise, but our commitment is that style and quality of our bathrooms never is. For elderly and disabled customers we also offer a [full occupational therapy assessment](#) service that ensures your new bathroom, walk in shower or wet room is perfectly suited to you.

[Contact us](#) today for a free no obligation quotation, you will be surprised how inexpensive our bathrooms, wetrooms and open level access showers designed just for you can be!
